

# HELLO!

Accessorizing your Veer Cruiser is part of the fun!

This toddler seat will comfortably accommodate your 6-18 month old during your adventures. It's easy to use. Let's get started!

Happy Cruising!

# LET'S GET STARTED

---

## 01. Installing the Toddler Seat

Lock and gather the existing 3-point safety harness below seat back (fig 1). Insert Toddler Seat in Cruiser, making sure side padding is secure over side rails of Cruiser and back padding is secure over seat back. Push on the toddler seat bottom until the J-hook clips onto the front edge of the seat in the Cruiser (fig 2). You should hear a “SNAP” as the J-hook clips on the Cruiser’s seat.

Fig 1

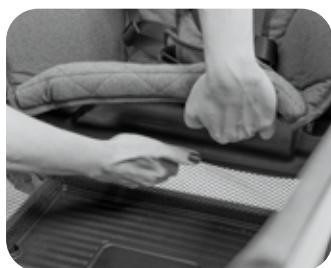

Fig 2

Thread the rear connection straps around the Cruiser’s seat back, loop them together and fasten the velcro end (fig 3). Finally, place the seat back retention loop around the Cruiser’s seat back handle release (fig 4). Before placing your child into the Toddler Seat, verify it is correctly installed by gently pulling on the 5-point harness. The Toddler Seat should not move or lift from the Cruiser’s seat as you pull on the harness.

Fig 3

Fig 4

## 02. Folding the Cruiser with the Toddler Seat Installed

Remove the seat back retention loop from the Cruiser’s seat back handle release (fig 1). Fold the Cruiser as you normally would, but guide the toddler seat into the foot well as you fold the seat back (fig 2). Fold down the other seat back and side walls as you normally would.

Fig 1

Fig 2

Note that if you are using two Toddler Seats, you must remove one before folding.

### 03. Unfolding the Cruiser with the Toddler Seat Partially Installed

Unfold the seat backs and side walls of the Cruiser as you normally would. As the seat back with the toddler seat moves into the upright position, glide the J-hook on the bottom of the Toddler Seat to the front edge of the seat in the Cruiser (fig 1) until it locks and place the seat back retention loop around the Cruiser's seat back fold actuator (fig 2).

Fig 2

### 04. Cleaning your Toddler Seat

Rinse area to be cleaned thoroughly with clean water and a using a mild detergent sponge the area gently. For a more thorough cleaning remove the 5-point harness and internal seat structure and hand wash. DO NOT machine wash, tumble dry, bleach, iron or dry clean.

### 05. Adjusting Shoulder Straps

To Adjust Shoulder Straps, open velcro closure on back of seat to access strap position anchors under the the seat cover.
